Ascent ENT super speciality hospital, Perinthalmanna, was established in 2014 and is recognised as first ISO & NABH accredited ENT hospital in Kerala. The second venture was started in 2016 at Palakkad as pioneer in ENT & Head and Neck field providing quality treatment with international standards in this part of the state. Apart from our annual prestigious event - ASCENT ACADEMIA, we have hosted many state, national and international conferences and workshops on behalf of AOI and ISO. We are passionate about providing the premier standards of ENT care, be it having the finest doctors, cutting edge technology, or nursing with a smile.

Dear Colleagues  
Greetings !

The Ascent group of ENT hospitals are happy to announce the otology live surgery workshop and hands on temporal bone dissection course under the aegis of Indian Society of Otolology to be held on July 14,15 and 16<sup>th</sup> July 2017. The highlights of this workshop will be demonstration of temporal bone dissection and live ear surgeries by eminent faculty and hands on wet bone dissection under supervision for budding otolaryngologists. At the conclusion we aim at providing a better understanding of the microanatomy and operating techniques. There are limited seats for the event and interested candidates are requested to register at the earliest.

Thanking You,

Organising Team  
ASCENT ACADEMIA 3.
